

Solution Brief

## Teams Apps and Solutions Workshop

Get ready to achieve more with Microsoft Teams

### Overview

As the hub for teamwork, Microsoft Teams is designed to help organisations improve collaboration and increase efficiency by automating key business processes. With the Teams Apps and Solutions Workshop, Insight will work with you to identify ways to improve workplace productivity, leveraging the Microsoft Teams platform.

## Our solution

Learn what the Teams platform can do for your organisation. Our consultants will walk you through the art of the possible, working with you to identify and prioritise key business scenarios to help solve your specific collaboration challenges. During the workshop, we'll show you how opportunities to customise and extend your Teams workspace using the power of automation. Then, we will design a plan that leverages Teams platform capabilities to help you move forward.

### We'll work with you to:

- Identify and prioritise key use case scenarios
- Explore opportunities to streamline business processes and improve productivity outcomes
- Provide an implementation plan and next steps to help you achieve your desired goals

## Business outcomes

Realise better business results with improved automation

- Drive business results through scenarios for increased productivity
- Accelerate outcomes with ready-to-use apps, plug and play accelerators, and solution options
- Enable app governance through guidance on governing Teams apps using policies and controls
